Ethical Hacking Training
Summer 2023-- Sam Bowne

I have received and read the Code of Ethics for the topic shown above, and I agree to enroll in the course under those terms. I understand that the skills I learn here can be dangerous if used improperly, and I agree to use them only in ethical ways. I understand that unauthorized hacking is a crime and could get me into serious legal trouble which neither my instructor nor the college will be able to save me from.
