

## Would you:

Like to receive full funding for your master's-level coursework expenses including tuition, room and board, books, instructional supplies, academic expenses, and travel?

## Are You:

African American or of African descent with a bachelor's degree in a **science, technology, engineering or mathematics (STEM)** discipline from an accredited college or university?

## Have You:

Chosen a master's program from one of U.S. News & World Report's top 30 graduate engineering schools or an HBCU with a graduate engineering program?

## Do You:

Know when to apply? Same date as your program or **no later than January 12, 2024!**

☑ A magnet for incredible talent, working to mitigate the acute underrepresentation of Black scholars in STEM.

☑ Helping emerging multi-disciplinary leaders collaborate, innovate, and communicate to address the complex challenges facing society.

Scholarship applicants will be evaluated on:

- Independence of Thought
- Purposeful Leadership
- Civic Mindset
- Undergraduate Achievements
